

# Rajangshu Kumar

3rd year grad student

Greetings, I'm Rajangshu kumar, an ECE student at VIT Vellore. My ardor for coding and unquenchable curiosity fuel my exploration of the tech world. I adeptly tackle challenges, adapt to new tech, and cultivate essential life skills. Let's connect to embark on a journey of shared growth and discovery.

Regression

## PERSONAL PROJECTS

Women techies by GDSC (03/2024 - 04/2024)

- Developed an interactive chatbot application for women's educational groups, fostering subject-specific discussions and collaborative learning. Built a responsive user interface with HTML, CSS, and JavaScript, ensuring accessibility across devices. Integrated NLP-powered chatbot functionality for real-time interactions and used Express.js to manage the server, data flow, and RESTful APIs. Enabled multi-user discussions to enhance engagement and knowledge exchange
